FACULTY/DEPARTMENT INFORMATION

The Faculty of Epidemiology & Population Health (EPH) houses a large group of epidemiologists, demographers, statisticians and nutritionists working on major issues of importance to public health provision in the UK and globally. EPH employs approximately 560 people in five research departments.

- Department of Infectious Disease Epidemiology & Dynamics
- Department of Infectious Disease Epidemiology & International Health
- Department of Medical Statistics, which includes the Clinical Trials Unit
- Department of Non-communicable Disease Epidemiology
- Department of Population Health

The Faculty has a postgraduate teaching programme including eleven intensive MSc courses: Epidemiology, Demography and Health, Medical Statistics, Health Data Science, Public Health for Development (jointly with Faculties of Infectious & Tropical Diseases and Public Health & Policy), Nutrition for Global Health, Global Mental Health (jointly with Kings College London, Institute of Psychiatry), Reproductive & Sexual Health Research, Sexual & Reproductive Health Policy and Practice (online), Veterinary Epidemiology (run jointly with the Royal Veterinary College) and Climate Change and Planetary Health. There are also two Distance Learning MSc courses: Epidemiology and Clinical Trials. The Faculty also has approximately 220 research students studying for an MPhil, PhD or DrPH degree.

The Dean of Faculty is Professor Elizabeth Allen.

The Department of Non-communicable Disease Epidemiology (NCDE) has a wide ranging and innovative set of research projects on non-communicable diseases that address many important scientific and public health issues around the world. While epidemiology is the core discipline, we work with statisticians, clinicians, sociologists, demographers, and basic biological scientists. Most of our research involves extensive collaborations both across the School and with colleagues in other research institutions around the UK and overseas.

The Head of Department is Professor David Leon.

Health Data Research UK (HDR UK) is the UK's national institute for health data science which was established in 2018. HDR UK's 20-year vision is for large scale data and advanced analytics to benefit every patient interaction, clinical trial, biomedical discovery and enhance public health. In 2022/23 HDR UK will transition to its future five-year strategy. HDR UK London constitutes one of the eight HDR UK regional networks, which represent the health research data community in their region and aim to enhance regional partnership and collaboration with HDR UK, work with regional partners including universities, Academic Health Science Networks (AHSNs) and NHS bodies to speed up adoption of health data science innovation into practice and act as a focus of investment leverage for future HDR UK scientific, training and infrastructure. The post holder will be based at the Electronic Health Record (EHR) group at LSHTM. The EHR group is a large interdisciplinary group of researchers undertaking research focused on using routinely-collected health data. The EHR group is within the Faculty of Population Health. The aim of the EHR group is to conduct high quality research that leverages big data and health informatics to improve healthcare and health outcomes. Professor Sinéad Langan is on the steering group for the EHR group and co-Medical Director for LSHTM.

Main Duties and Responsibilities

Project Coordination

- Oversee all non-scientific aspects of the project/ projects in the portfolio; including organising travel, visas, reimbursement of expenses, arranging project meetings, workshops and conference calls, ordering stationery, supplies and shipment overseas.
- Prepare and collate material for research grant applications; creating RCP costings, completing funders' web-based forms and ensuring that applications are submitted according to the funding regulations.
- Identify funding opportunities for future research, and advise on internal and external guidelines and requirements.
- Develop and maintain information management systems for appropriate administration of the project(s); contributing to the strategic trajectory of projects and sustainability beyond the current grant lifecycle
- Receive, understand and convey complex information that needs careful explanation/interpretation to project team members, Professional Services, funders and overseas collaborators.
- Identify or anticipate problems that may arise within the areas of administration/financial management and develop innovative and workable solutions; escalating when appropriate
- Act as a point of contact for funders in relation to the administration of projects where sub-contracts are held in the UK or overseas.
- Coordinate, and participate in, leadership team meetings and conference calls and assist with the arrangement of occasional large-scale meetings/conferences.
- Encourage knowledge-sharing between LSHTM and partners and advise partner institutions, where appropriate, on grant management and administration, including budget development, financial management and reporting, aiming to ensure equity for partners.
- Facilitate discussions with LSHTM departments and funders to accommodate partners' finance and administration systems, for example when reporting deadlines might require flexibility.

Finance

- Proactively manage the project budget(s), which may include budgets over a million pounds, maintaining accurate financial records, drafting budget justifications, budget re-profiles, uplifts and extensions.
- Take independent decisions on budget, expenditure and staff funding using own knowledge in conjunction with written guidelines/checklists and templates.
- Understand and adhere to LSHTM Financial Regulations and funder regulations.
- Assist Research Operations with the establishment of sub-contracts with partner organisations, advising on reporting/ invoicing requirements and audits.

- Review financial reports submitted by sub-contractors/collaborators to ensure the expenditure is in line with the budget and funding regulations, keeping own records of budget vs expenditure for each collaborator.
- Provide financial management reports to the Principal Investigator, and advice on direction of spending and allocation of resources, including budget forecasting, interpreting trends/patterns and making predictions.
- Collate and submit evidence of expenditure, such as copies of invoices, receipts and timesheets, to funding organisations and auditors.
- Work with Research Operations to complete detailed financial reports for submission to funding organisations, collating and submitting evidence of expenditure as appropriate and ensuring these are delivered on time.

Human Resources

- Assist in the recruitment process for new staff members including drafting job descriptions and HERA job evaluations, arranging interviews and participating in short-listing/interview panels as appropriate.
- Pro-actively monitor staffing on projects, through staff forecasting and advise the Principal Investigator when funding shortfalls arise and work together to achieve a solution.
- Prepare Payroll Variation Forms (PVFs) to extend staff contracts and change funding or full time equivalent (FTE).
- Assist in the induction and training and of new staff or temporary administrative staff within the team.
- Support staff based overseas to operate effectively and in compliance with LSHTM's human resources and financial policies and procedures.

Communication

- Maintain webpages, including updating project and output/work package information and other communications materials.
- Respond to requests from LSHTM's press office and other sources regarding press and other enquires.
- Contribute to drafting written non-scientific elements of annual reports, other documentation relating to the research project and communication, promotion and dissemination documents; such as newsletters.
- Keep an up-to-date list of staff publications and make researchers aware of open access publishing requirements.

Other

- Work as part of a team and show awareness and consideration of other administrative roles in the department, covering periods of absence of others in the team, including the Department Manager.
- Take responsibility for additional tasks and projects where there is capacity.
- Adhere to Faculty and LSHTM policy and procedures at all times.
- Demonstrate continuous professional development by acquiring relevant skills and competencies e.g. keeping up to date with changes in procedures/regulations, attending relevant training.
- Contribute to general activities of the Department that help to promote the objectives of LSHTM.

Additional Information

- Take responsibility for additional tasks and projects where there is capacity.

LSHTM has a Hybrid Working Framework, which alongside agreed service requirements, enables teams to work more flexibly (if the role allows), promoting a greater wellbeing and work/life balance.

Application Process

Applications should be made on-line via our [jobs website](#). Applications should also include the names and email contacts of 2 referees who can be contacted immediately if appointed. Online applications will be accepted by the automated system until 10pm of the closing date. We regret that late applications cannot be accepted. Any queries regarding the application process may be addressed to jobs@lshtm.ac.uk.

The supporting statement section should set out how your qualifications, experience and training meet each of the selection criteria. Please provide one or more paragraphs addressing each criterion. The supporting statement is an essential part of the selection process and thus a failure to provide this information will mean that the application will not be considered. An answer to any of the criteria such as "Please see attached CV", "Yes" or "No" will not be considered acceptable and will not be scored.

Please note that if you are shortlisted and are unable to attend on the interview date it may not be possible to offer you an alternative date.

Asylum and Immigration Statement

LSHTM will comply with current UKVI legislation, which requires all employees to provide documentary evidence of their legal right to work in this country prior to commencing employment. Candidates will be required to email a copy of their passport (and visa if applicable) to HR prior to their interview and if appointed will be asked to bring the original documents in to be copied and verified before their start date.

This role does not meet the minimum requirements set by UKVI to enable sponsorship under the skilled worker route. Therefore we cannot progress applications from candidates who require sponsorship to work in the UK.
