

JOB DESCRIPTION

Job Title: Project Coordinator	
Department: Population Health	
Faculty/Professional Service: Epidemiology and Population Health	
Location: Keppel Street, London (with hybrid working)	
Reports to: Project Manager, ICED	
Accountable to: Principal Investigators & Faculty Operating Officer	
Responsible for: N/A	
Full Time/Part Time/Casual: Full Time or Part Time	Hours (if less than full time): 0.8 – 1.0 FTE
Grade: 5	
Overall Purpose of the job The post-holder will be responsible for providing efficient administrative, logistical and financial support from set up to closure; a portfolio of research projects which may have multiple overseas collaborators or complex funder requirements. The post-holder will develop a good understanding of the funder terms and conditions for the project(s) providing sound advice and ensuring compliance to these and LSHTM policies and procedures, including the Financial Regulations. The post-holder will be a member of the department administration team and be accountable to the Principal Investigators within the department. The post-holder will work within a team of three other professional service roles sitting within ICED delivering high quality support and coordination to research projects alongside the academic teams. The role is currently funded until 31st July 2026 with the possibility of extension. ICED delivers research to improve the health and wellbeing of people with disabilities globally, generating evidence on what works to improve their lives. The post-holder will work across a portfolio of research projects within ICED. Two of which will include supporting the operational delivery of two of ICED's flagship research project – PENDA, funded by the UK FCDO and the Missing Billion Project, funded by NIHR. These two projects work globally to research and provide evidence on what works to improve the lives of people with disabilities, through employment, education and health programming.	

General Information

The London School of Hygiene & Tropical Medicine (LSHTM) is one of the world's leading public health universities.

Our mission is to improve health and health equity in the UK and worldwide; working in partnership to achieve excellence in public and global health research, education and translation of knowledge into policy and practice.

Staff and students are committed to helping create a more healthy, sustainable and equitable world for everyone, because we believe our shared future depends on our shared health.

We embrace and value the diversity of our staff and student population and seek to promote equity, diversity and inclusion as essential elements in contribution to improving health worldwide. We believe that when people feel respected and included, they can be more creative, successful, and happier at work. While we have more work to do, we are committed to building an inclusive workplace, a community that everyone feels a part of, which is safe, respectful, supportive and enables all to reach their full potential.

FACULTY INFORMATION

The Faculty of Epidemiology & Population Health (EPH) houses a large group of epidemiologists, demographers, statisticians and nutritionists working on major issues of importance to public health provision in the UK and globally. EPH employs approximately 560 people in five research departments.

- Department of Infectious Disease Epidemiology & Dynamics
- Department of Infectious Disease Epidemiology & International Health
- Department of Medical Statistics, which includes the Clinical Trials Unit
- Department of Non-communicable Disease Epidemiology
- Department of Population Health

The Faculty has a postgraduate teaching programme including eleven intensive MSc courses: Epidemiology, Demography and Health, Medical Statistics, Health Data Science, Public Health for Development (jointly with Faculties of Infectious & Tropical Diseases and Public Health & Policy), Nutrition for Global Health, Global Mental Health (jointly with Kings College London, Institute of Psychiatry), Reproductive & Sexual Health Research, Sexual & Reproductive Health Policy and Practice (online), Veterinary Epidemiology (run jointly with the Royal Veterinary College) and Climate Change and Planetary Health. There are also two Distance Learning MSc courses: Epidemiology and Clinical Trials. The Faculty also has approximately 220 research students studying for an MPhil, PhD or DrPH degree.

The Dean of Faculty is Professor Elizabeth Allen.

Department of Population Health

The Department of Population Health aims to bring important benefits to global population health and health equity by generating, evaluating and disseminating effective interventions, treatments and policies. It is a centre of excellence in the determinants and consequences of population change.

Our research involves epidemiology, drug trials, complex intervention development and trials, demography, research on the mechanisms of disease, treatments and interventions, qualitative research and systematic reviews of evidence, and evidence to improve the [health and wellbeing of people with disabilities globally](#). We work on some of the largest public health issues in the world including: climate change and planetary health, Covid-19, demography, emergency care, global mental health, maternal, newborn and child health (MNCH), nutrition, non-communicable disease and sexual and reproductive health (SRH). The Department of Population Health has strong links with the Malawi Epidemiology and Intervention Research Unit (MEIRU), the MRC unit the Gambia, international agencies and a large network of overseas research collaborators.

The Head of Department is Professor Suneetha Kadiyala.

Main Duties and Responsibilities

Project coordination

- Oversee all non-scientific aspects of the project/ projects in the portfolio; including organising travel, visas, reimbursement of expenses, arranging project meetings, workshops and conference calls, ordering stationery, supplies and shipment overseas.
- Prepare and collate material for research grant applications; creating RCP costings, completing funders' web-based forms and ensuring that applications are submitted according to the funding regulations.
- Identify funding opportunities for future research and advise on internal and external guidelines and requirements.
- Develop and maintain information management systems for appropriate administration of the project(s); contributing to the strategic trajectory of projects and sustainability beyond the current grant lifecycle
- Receive, understand and convey complex information that needs careful explanation/interpretation to project team members, Professional Services, funders and overseas collaborators.
- Identify or anticipate problems that may arise within the areas of administration/financial management and develop innovative and workable solutions; escalating when appropriate
- Act as a point of contact for funders in relation to the administration of projects where sub-contracts are held in the UK or overseas.
- Coordinate, and participate in, leadership team meetings and conference calls and assist with the arrangement of occasional large-scale meetings/conferences.
- Encourage knowledge-sharing between LSHTM and partners and advise partner institutions, where appropriate, on grant management and administration, including budget development, financial management and reporting, aiming to ensure equity for partners.
- Facilitate discussions with LSHTM departments and funders to accommodate partners' finance and administration systems, for example when reporting deadlines might require flexibility.
- Liaise with project funders alongside the LSHTM academic team to ensure clear communications are maintained and LSHTM compliance with funder rules. Particular consideration of FCDO funding rules is needed.

Finance

- Proactively manage the project budget(s), which may include budgets over a million pounds, maintaining accurate financial records, drafting budget justifications, budget re-profiles, uplifts and extensions.
- Take independent decisions on budget, expenditure and staff funding using own knowledge in conjunction with written guidelines/checklists and templates.
- Understand and adhere to LSHTM Financial Regulations and funder regulations.

- Assist Research Operations with the establishment of sub-contracts with partner organisations, advising on reporting/ invoicing requirements and audits.
- Review financial reports submitted by sub-contractors/collaborators to ensure the expenditure is in line with the budget and funding regulations, keeping own records of budget vs expenditure for each collaborator.
- Provide financial management reports to the Principal Investigator, and advice on direction of spending and allocation of resources, including budget forecasting, interpreting trends/patterns and making predictions.
- Collate and submit evidence of expenditure, such as copies of invoices, receipts and timesheets, to funding organisations and auditors.
- Work with Research Operations to complete detailed financial reports for submission to funding organisations, collating and submitting evidence of expenditure as appropriate and ensuring these are delivered on time.

Human Resources

- Assist in the recruitment process for new staff members including drafting job descriptions and HERA job evaluations, arranging interviews and participating in short-listing/interview panels as appropriate.
- Pro-actively monitor staffing on projects, through staff forecasting and advise the Principal Investigator when funding shortfalls arise and work together to achieve a solution.
- Prepare Payroll Variation Forms (PVFs) to extend staff contracts and change funding or full time equivalent (FTE).
- Assist in the induction and training and of new staff or temporary administrative staff within the team.
- Support staff based overseas to operate effectively and in compliance with LSHTM's human resources and financial policies and procedures.

Communication

- Maintain webpages, including updating project and output/work package information and other communications materials.
- Respond to requests from LSHTM's press office and other sources regarding press and other enquires.
- Contribute to drafting written non-scientific elements of annual reports, other documentation relating to the research project and communication, promotion and dissemination documents; such as newsletters.
- Keep an up-to-date list of staff publications and make researchers aware of open access publishing requirements.

Other

- Undertake visits to overseas sites, which may include Uganda and Bangladesh, to attend meetings and workshops.
- Work as part of a team and show awareness and consideration of other administrative roles in the department, covering periods of absence of others in the team, including the Department Manager.
- Take responsibility for additional tasks and projects where there is capacity.

- Adhere to Faculty and LSHTM policy and procedures at all times.
- Demonstrate continuous professional development by acquiring relevant skills and competencies e.g. keeping up to date with changes in procedures/regulations, attending relevant training.
- Contribute to general activities of the Department that help to promote the objectives of LSHTM.

Generic duties and responsibilities of all LSHTM employees

This job description reflects the present requirements of the post but may be altered at any time in the future as duties and responsibilities change and/or develop providing there is consultation with the post-holder.

The post-holder will carry out any other duties, tasks or responsibilities as reasonably requested by the line manager, Dean of Faculty, Head of Department or Head of Professional Service.

The post holder will be responsible and accountable for ensuring all LSHTM policies, procedures, regulations and employment legislative requirements are adhered to including equality and diversity and health and safety.

This job description is not a definitive or exhaustive list of responsibilities but identifies the key responsibilities and tasks of the post holder. The specific objectives of the post holder will be subject to review as part of the individual Performance and Development Review (PDR).

PERSON SPECIFICATION

This form lists the essential and desirable requirements needed by the post holder to be able to perform the job effectively.

Applicants will be shortlisted solely on the extent to which they meet these requirements.

Competency	Evidence	E/D
Education, Qualifications and Training	Higher education to degree level or equivalent or substantial relevant experience.	E
	Evidence of continuous professional development including internal or external training and development programmes.	E
Experience	Substantial relevant experience of providing proactive administrative support in Higher Education (or similar environment) and working closely with academic staff members.	E
	Significant experience of providing administrative/financial support for research projects.	E
	Working knowledge of funder terms and conditions and Full Economic Costing (FEC) methodology.	D
	Proven ability to manage own work-load, organising and prioritising tasks to meet deadlines.	E
	Proven ability to monitor a budget and prepare accurate costings, projections and reports.	E
	Proven ability to understand and communicate/explain information (e.g. organisational policies and processes and funder terms and conditions) to others and to respond to a range of queries.	E

Salary and Conditions of Appointment

The post is fixed-term until 31 July 2026, with potential for extension subject to funding, and can be either full or part-time between 28 and 35 hours per week, 0.8 – 1.0 FTE. The post is funded by the FCDO and NIHR and is available immediately. The salary will be on the LSHTM salary scale, Grade 5 in the range £39,432 - £45,097 per annum pro rata (inclusive of London Weighting).

The post will be subject to the LSHTM terms and conditions of service. Annual leave entitlement is 30 working days per year, pro rata for part-time staff. In addition to this there are discretionary “Wellbeing Days.” Membership of the Pension Scheme is available.

LSHTM has a Hybrid Working Framework, which alongside agreed service requirements, enables teams to work more flexibly (if the role allows), promoting a greater wellbeing and work/life balance.

Application Process

Applications should be made on-line via our [jobs website](#). Applications should also include the names and email contacts of 2 referees who can be contacted immediately if appointed. Online applications will be accepted by the automated system until 10pm of the closing date. We regret that late applications cannot be accepted. Any queries regarding the application process may be addressed to jobs@lshtm.ac.uk.

The supporting statement section should set out how your qualifications, experience and training meet each of the selection criteria. Please provide one or more paragraphs addressing each criterion. The supporting statement is an essential part of the selection process and thus a failure to provide this information will mean that the application will not be considered. An answer to any of the criteria such as "Please see attached CV", "Yes" or "No" will not be considered acceptable and will not be scored.

Please note that if you are shortlisted and are unable to attend on the interview date it may not be possible to offer you an alternative date.

Asylum and Immigration Statement

LSHTM will comply with current UKVI legislation, which requires all employees to provide documentary evidence of their legal right to work in this country prior to commencing employment. Candidates will be required to email a copy of their passport (and visa if applicable) to HR prior to their interview and if appointed will be asked to bring the original documents in to be copied and verified before their start date.

This role does not meet the minimum requirements set by UKVI to enable sponsorship under the skilled worker route. Therefore we cannot progress applications from candidates who require sponsorship to work in the UK.
