

JOB DESCRIPTION

Job Title: Senior Finance Business Partner
Department: Finance and Procurement
Faculty/Central Service: Central Service
Location: London
Reports to: Head of Finance Business Partner
Responsible for: Finance Business Partners
Full Time/Part Time/Casual: Full-time
Grade: Grade 7
Overall Purpose of the job: Reporting to the Head of Finance Business Partnering, the Senior Finance Business Partner is a strategic and commercially minded finance leader who will help drive financial performance and support LSHTM's mission to improve health and health equity worldwide. Working closely with senior leaders, you will provide insight, challenge and expert financial advice to shape strategic decision-making, drive financial sustainability and influence the future direction of a globally recognised institution. We welcome applications from finance professionals across the private and public sectors and value the commercial insight, innovation and fresh perspectives they bring. In return, you will join a world-leading institution committed to creating a healthier, more sustainable and equitable world, where our values of acting with integrity, embracing difference, working together and creating impact underpin everything we do, and where your expertise will contribute to improving health worldwide.

General Information

The London School of Hygiene & Tropical Medicine (LSHTM) is one of the world's leading public health universities.

Our mission is to improve health and health equity in the UK and worldwide; working in partnership to achieve excellence in public and global health research, education and translation of knowledge into policy and practice.

Staff and students are committed to helping create a more healthy, sustainable and equitable world for everyone, because we believe our shared future depends on our shared health.

We embrace and value the diversity of our staff and student population and seek to promote equity, diversity and inclusion as essential elements in contribution to improving health worldwide. We believe that when people feel respected and included, they can be more creative, successful, and happier at work. While we have more work to do, we are committed to building an inclusive workplace, a community that everyone feels a part of, which is safe, respectful, supportive and enables all to reach their full potential.

About the Finance Division

The Finance Division plays a vital role in enabling LSHTM to deliver its mission and long-term strategic ambitions. Supporting a complex and globally connected organisation, the team provides expert financial leadership, insight and stewardship to ensure resources are deployed effectively and sustainably.

LSHTM manages a substantial and complex research portfolio, with around £180m of annual research expenditure and approximately £500m of research funding applications each year. Finance teams play a critical role in supporting this activity through expert financial leadership, robust governance and trusted business partnering that helps maximise LSHTM's impact on global health.

About the Finance Business Partner Team

The Finance Business Partnering team sits at the heart of LSHTM's decision-making, partnering with senior leaders to deliver the financial insight and strategic support that enables the School to achieve its mission of improving health worldwide. This is a highly visible team that influences major decisions, supports a diverse portfolio of activities and plays a key role in ensuring the long-term financial sustainability of the organisation. Joining the team offers a unique opportunity to combine commercial finance expertise with genuine social impact, while working in a collaborative, ambitious and supportive environment that encourages innovation, continuous improvement and professional development.

Main Duties and Responsibilities

Strategic Financial Planning & Reporting

- Take full responsibility for the preparation and delivery of accurate and timely budgets, forecasts and monthly management accounts for assigned Faculties and PSAs.
- Provide high-level interpretation of financial results, conducting value-add analysis, detailed variance investigation, trend identification and early detection of risks and opportunities.
- Recommend remedial actions where issues arise, working collaboratively with academic and professional service colleagues to implement solutions.
- Produce authoritative monthly financial commentary that explains key variances, highlights significant trends and sets out the Faculty or PSA's overall "financial health."
- Oversee the FBP in the preparation of monthly Management Accounts, ensuring accuracy, analytical rigour and alignment with institutional timetables.

Advanced Financial Analysis & Decision Support

- Produce advanced financial analysis and reports to illuminate the contribution of academic and operational areas, enabling evidence-based resource allocation and strategic planning.
- Lead work with Faculties and Departments to deepen understanding of cost drivers and financial sustainability.
- Provide interpretation of complex data, identifying critical issues, assessing options and advising on optimal courses of action.
- Use benchmarking, sector data, and historical trends to support senior decision-making.
- Provide expert financial guidance and advice to FOOs, DMs, budget holders and project managers to shape effective planning and control.
- Meet monthly with FOOs and DMs to review management accounts, explain variances, address concerns and jointly monitor emerging issues.

Systems Expertise, Policy & Process Improvement

- Serve as the institutional "go-to" expert for the T1 finance system, advising on reporting, analysis, budget setting, forecasting and management accounts.
- Deliver financial training and workshops in T1 and core financial processes to enhance financial capability and promote ownership of budgets.
- Recommend policy improvements and drive process enhancements that accelerate month-end close and increase reporting quality.
- Support the Head of Finance Business Partnering with the production of external statutory and regulatory returns including Office for National Statistics (ONS) and TRAC returns.

Team Leadership and Management

- Provide effective leadership, support and direction to assigned FBP(s), including workload planning, task delegation, performance oversight and professional guidance.

- Set clear objectives and key performance indicators (KPIs) to monitor individual and service performance.
- Conduct annual Professional Development Reviews (PDRs), gathering feedback from relevant academic and Professional Services stakeholders as appropriate.
- Review priorities and deadlines proactively, particularly during peak workload periods, ensuring effective and sustainable service delivery.
- Ensure appropriate cover for absences across the FBP/SFBP team and contribute to continuity planning.
- Lead regular meetings with the FBP, promoting knowledge sharing, collaboration and a strong team culture.

Communication, Influence & Collaborative Working

- Provide specialist financial expertise to a wide range of internal stakeholders, including senior leadership and non-financial audiences.
- Develop and deliver training, briefings and presentations to both specialist and non-specialist audiences on financial systems, policies and performance.
- Build strong, effective and collaborative relationships with academic and professional services staff across the institution.
- Promote and disseminate best practice in financial policy, process and management across the School.
- Maintain strong communication channels with the sector and other institutions to support innovation and benchmarking.
- Consult regularly with stakeholders to understand challenges, identify improvements and resolve emerging issues.
- Influence stakeholders, including senior staff, to ensure optimal outcomes for the institution, negotiating solutions and managing expectations where necessary.
- Represent the institution at meetings, seminars and external forums as required.

Finance, Sector Awareness & Continuous Improvement

- Monitor developments in the external higher education and research funding environment, assessing their financial implications for the School.
- Use sector knowledge and financial data to anticipate changes in stakeholder needs and adjust service delivery accordingly.
- Proactively engage with external networks, sector groups and professional bodies to ensure the School benefits from evolving best practice.
- Lead and support initiatives to innovate and enhance financial management, planning and reporting.

Additional Responsibilities

- Deputise for other SFBPs and members of the Finance Business Partnering team as required.
- Undertake any other duties reasonably requested by the Head of Finance Business Partnering.
- Take responsibility for own continuing professional development, internal collaboration and external networking.
